

**BRING YOUR CAMERA AND
TRIPOD FOR
HANDS-ON WORKSHOPS**

Dorothy Posavec

Dorothy is a master in photographing glassware. She will teach and share with you her knowledge of capturing award-winning images of beautiful glassware. When you get started, you won't want to leave.

Dick Vandenberg

Dick has distinguished himself as a master in shooting still life. He will show still life setups that use "things around the house" and will not be costly to duplicate. Dick will also teach you how to use proper lighting. Walk away knowing how to set up and shoot that award winning photograph.

Live Model Shoot

There will be studio setups so that you may photograph live models. This workshop is an enjoyable experience for all involved. We ask that you provide the models a couple of pictures to compensate them for their time.

Journalism Photography
presented by **Wayne Baranowski**

Wayne Baranowski Photojournalist and owner of Wayba Productions, specializing in event and commercial photography. Wayne has more than 20 years of experience photographing the community, including serving as a photographer and photo editor for The Daily Journal newspaper. In addition, he has taught the popular introductory photography course for Kankakee Corporate and Continuing Education for nearly 20 years.

Making Memories With
"Children's Photography"
Presented by **Terry Tasche**

Recipient of the Kodak Gallery Award of Excellence, The Fuji Masterpiece Award, Epcot Center display Disney World, published in Professional Photographer Magazine Folio and several Loan Collection prints.

Birds Of Prey

You spoke and we listened. **THE BIRDS OF PREY** are returning by popular demand! This session is our outdoor activity where participants will be able to photograph live Birds of Prey in a natural setting.

Registration is required. Space is limited — it is on a first come--first serve basis, so register early to be assured an opportunity to participate.

**Exploring Adobe Photo-
shop™ CS and Elements**
With **LeAnn Angerman**

LeAnn Angerman along with her husband, Todd, own Grace Photography in Lowell, IN. Taking a more artistic approach to photography, LeAnn utilizes software programs such as Adobe Photoshop and Corel Painter to create truly unique works of art. For InFocus 2010, LeAnn will be demonstrating the fundamental techniques of portrait retouching. Have you ever wondered how to enhance the eyes or whiten teeth on a close-up portrait? You will learn how to use quick and easy tips making it possible for you to showcase your images from OKAY to OH WOW. You may want to bring your laptop for this class.

Fashion Photography
by **Art Stump**

Fashion and Commercial Photographer Art Stump began his affair with photography while attending Indiana University, where he earned undergraduate and graduate degrees. Art has shot commercially for over twenty-five years, specializing in fashion and beauty assignments. He has worked with publishers, ad agencies, and major fashion retailers. His work has been widely published, appearing in Vogue, Bazaar, Mademoiselle, Glamour, Seventeen, and similar national fashion magazines. In addition to his print media work, Art has also been heavily involved in TV commercial and film production for some of his leading fashion retailing accounts.

Images to Art Using Corel Painter Presented by Deb Chagares

Deb is PPA Certified, Master of Photography and a Photographic Craftsman. She has had several Loan Collection images and has placed in the Top Ten Indiana photographers.

Corel Painter features sophisticated tools, making it the ideal software for creating original digital artwork. Painter is one of the mainstream programs for digital artists around the world, not just in the photography and art industry, but also in the graphics industry. Ever wonder why the images you turn into paintings in Painter still look like photographs? The reason has to do with basic art concepts that distinguish paintings from photos. Learn which brushes are Painter's star performers as you turn your images into watercolors and oils. You may want to bring your laptop for this class.

"Wildlife Photography" Presented by Jim Chagares

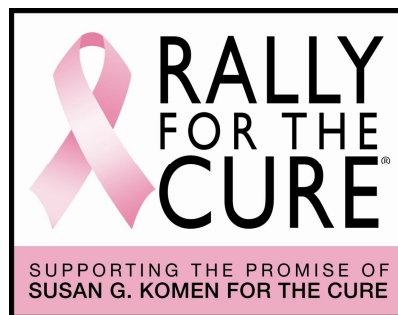

Jim has met the standards of excellence set by the Professional Photographers of America. He has been awarded the following prestigious degrees:

- Master of Photography Degree
- Photographic Craftsman Degree
- Master of Electronic Imaging Degree

Jim has distinguished himself in all aspects of photography. He has received numerous honors and awards in every discipline he pursued. His specialties include photographing Wildlife. He and his wife Deb (an equally recognized photographer) have the Chagares Photography studio in Richmond, Indiana.

HDR Photography Made Simple Presented by Jerry Hug

Jerry's works have appeared in many galleries throughout New Mexico, Door County, WI, and Illinois. He has been nationally published and his work is included in various private collections on the North Shore. Jerry is an award-winning photographer and respected teacher. You may want to bring your laptop for this class.

A portion of the proceeds of this event will be donated to the 3-day Walk for the Susan G. Koman Breast Cancer Foundation in support of ICY SOWARDS who is a survivor and will walk 60 miles in October for the 6th time.
